## PRESIDENT'S CORNER

Last month's TASC luncheon featured a presentation by Mr. Ken Williams, Director, SystemsEngineeringandIntegratedArchitectures Division (J89) for United States Joint Forces Command's Joint Capability Development Directorate. For those who attended, we were the recipients of a very informative presentation. Mr. Williams's presentation is posted to the TASC website and is available to be downloaded.

Our speaker for this month's is Mr. Tim Baker, Deputy, Joint Force Trainer – Technical/Business Management, United States Joint Forces Command, Joint Warfighting Center . In addition to our featured speaker, we will also ask the membership to vote on recommended changes to our By Laws.

The TASC Board of Directors has embarked on the execution portion of our Strategic Plan, which is aimed at improving our organization and becoming more responsive to the membership. There are several committees that have been formed to undertake this initiative. Mr. Steve Lieberman is the board member who has the lead for implementation of these initiatives and is guiding the board through the process. The board is soliciting membership for volunteers to serve on the committees and working groups

and I encourage you to contact Steve by e-mail at [mnclib2@gmail.com](mailto:mnclib2@gmail.com) or by phone at 757-201-2710 if you can find time to assist us in this endeavor. The end result will make TASC a better organization for the future.

As a reminder, the Greater Hampton Roads Chapter of NDIA is co-sponsoring with the U.S. Joint Forces Command their Industry Symposium 2007 at the Hampton Roads Convention Center July 31 – August 1. The MODSIM World Conference and Exposition takes place at the Virginia Beach Convention Center, September 11 – 13. The ASNE Fleet Maintenance Symposium takes place at the Virginia Beach Convention Center, September 18-19. Our TASC Luncheon for September will be held in conjunction with the ASNE event at the convention center on September 19. Our featured speaker for that event is RADM Jeffrey Brooks, U.S. Fleet Forces Command N4. I encourage you to take advantage of these events as they are important to the sustainment and growth of our industry in the area. Registration via the TASC website is available for this and future luncheons via a "pull down" window in the luncheon registration area.
